OUT ON THE LIMB with George Vierhus

George Vierhus is on vacation. This week's columnist is Rev. William H. Gould, pastor of the First Methodist Church of Campbell.

WHEN GEORGE called and asked if I would write, "Out On The Limb" I remarked, "What do I write?" and he replied, "Anything you want." My conscience replied, "You wouldn't dare," and rightly so. I deliberated and recognized I had no axe to grind, no pet gripe and so I counted my blessings.

All of us should be thankful to be alive in such a day as this. Problems galore! An embattled, divided, wonderful world is ours. Everybody and everything seems disjointed and we wonder, "Who will set it right?"

-0-

YEARS AGO Charles E. Kettering said, "We are looking backwards so much that we back into the future." Always looking behind we do not see the glories of the present nor contemplate the magnificence of the days ahead. Too many of us live as though we have a glorious future behind us. This is not so.

Social reconstruction is going on all around. Let me give a biased opinion and say: we must reclaim the vital and religious principles of our heritage as we move into the future. Each man must stand on his own feet and be counted. Old values are discounted and morality has become new in that many profess no morality.

Let others eliminate religion from society, but let us all remember we acknowledge ours is a nation under God. Now this is not a simple statement; it is profound and has varying meanings to every individual. Some have a god who is no god and worship without worshipping; yet we are not divided, but united in one great country.

-0-

WE ARE CRITICS of our day and we ought to be very humble for we are part of the world we criticize. Our ideals decorate decay when they are but spoken and not practiced. When we live up to our ideals, a better world results. We are ashamed when we realize how complacent we are amid powerful evils, arrogant tyrannies, heartless oppressions, and indifference to responsibilities. We must have a sense of humiliation and responsibility and say these things shall not be. We cannot win our expanding order promoting chaos and confusion. We cannot legislate righteousness. We can only do it through the power of living up to our ideals.

We are called to build the kind of world that will recognize each man's worth and must not be mere defenders of the way things are now. We must determine to give service in all areas of community life in order to realize the dreams of our forbearers.

To build this kind of world will cost. Cost

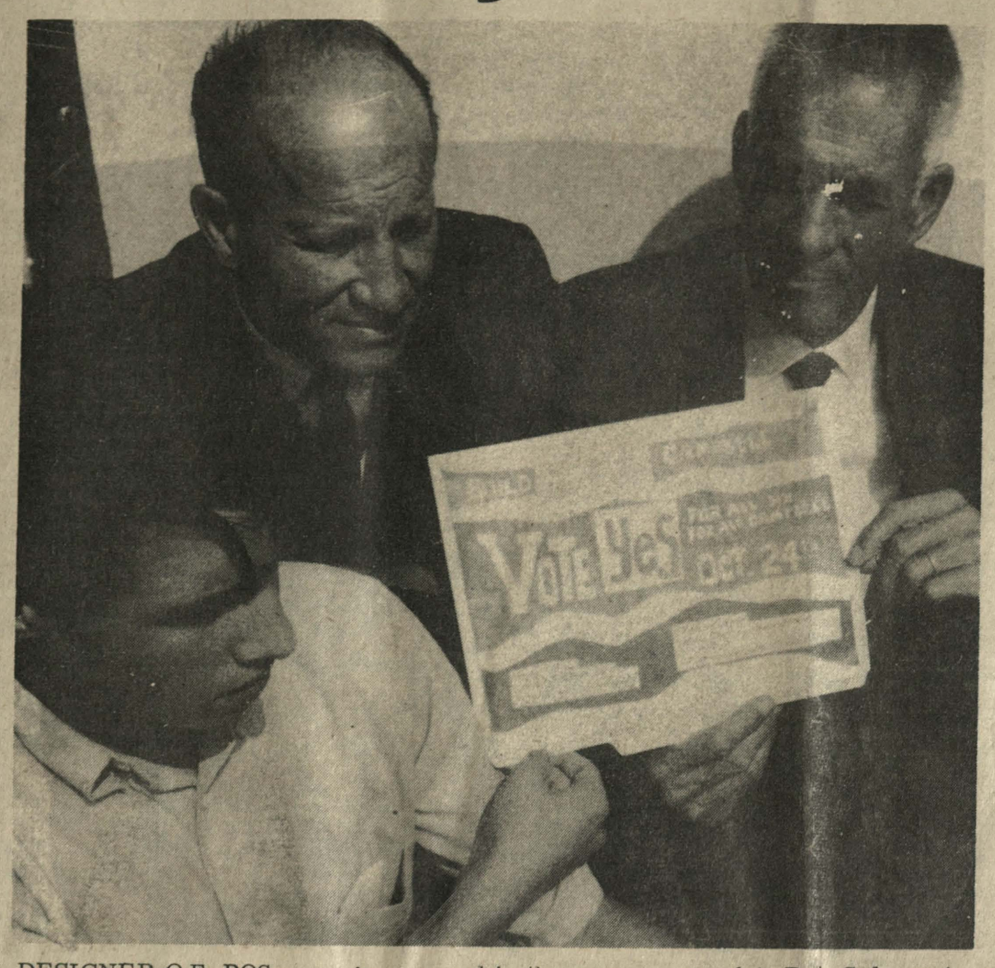
Community unites for bonds



By SALLY HOWE

Whether property values in Campbell continue to rise or whether they take a noticeable decline is a concern of the Citizens Committee seeking passage, on Oct. 24, of six bond measures totalling $3 million dollars.

Spokesman for the committee say that city-wide progress and improvement rate high in the business and real estate markets as well as in the city's overall image.

This is the third bond election staged by Campbell; ten years ago the city successfully sponsored measures to install storm drains and improve city streets. "For which", a committee spokesman reminded us, "every single penny was spent exactly as planned--not like it is in some cities where the money is either diverted elsewhere, or found not to be sufficient to do the job."

COMMUNITY SPIRIT

Committee members proudly point to the unusual amount of community spirit behind the issues, with high school students supplying art work, housewives donating time to precinct work as well as giving coffee hours, and business supplying speakers to any and all organizations requesting them. College students from West Valley have even been surveying the voters to ascertain their understanding of the issues.

The decisions to place bond measures on the ballots were not arrived at lightly, community leaders say, for they devoted much time to visiting cities of comparable size, talking to friends and neighbors, and listening to experts tell what was possible for community growth.

COUNTY LIBRARY

Most easily understood of the measures is "A" which will provide the city with a

Councilmen meet with U.S. housing official

City Manager Robert Stephens, accompanied by a committee consisting of Mayor Edward Rogers, Vice Mayor Bill Smeed and Councilman Ralph Doetsch, will journey to San Francisco tomorrow (Thursday) for a meeting with John W. Keast, Chief of the Lease Housing Branch, Housing Assoc. Administration, U.S. Department of Urban Development.

Purpose of the trip is to discuss the resolution the city has formulated to join the County Housing Authority. The resolution, according to Stephens, is patterned after the one adopted by the City of Salinas, which gives the city controls over the county's administration of lease housing for the economically-deprived in this community.

The resolution, according to Stephens, has already been read and approved by City Attorney Joseph Bonacina.

The committee is hopeful that discussion with Keast will be helpful in the adoption of the resolution, which will be before the City Council meeting on Monday, Oct. 9.

Other matters to come before the council on Monday will be the report on crossing guards at Budd and California at the San Tomas Expressway, and a progress report on the Civic Center Complex Preliminary Concepts by Architect Bill Hedley.

RAINDROPS

The first rain of the 1967-68 year was recorded Monday night with .09 inches being received at that time. Normal for the season at this time is .32 with last year rainfall received pegged at .35.

City Hall slates open house

During "Salute to Local Government Week" Oct. 8-14, tours and open house will be held at the Campbell Civic Center. "Salute to Local Government Week" was proclaimed by California Governor, Ronald Reagan, to demonstrate to the people that California has a great number of talented and devoted public servants ready to aid them in solving their day-to-day problems.

On Monday, Oct. 9, Wednesday, Oct. 11 at 7:30 p.m., and Saturday, Oct. 14 at 10:30 a.m., open house will be held and tours conducted to the City Hall, Police and Fire Departments, located at 75 North Central Ave. Also, the City Engineering offices at Third and Grant Streets and and the service center at the end of Dillon Ave. will be open to the public.

During the Monday evening open house, the Campbell City Council will be in session and the public is invited to attend the meeting to see their councilmen at work.

As part of "Salute to Local Government Week" and "Fire Prevention Week", the Campbell Fire Department will also have open house on Oct. 14-15 with displays and demonstrations of fire fighting equipment. Also on Oct. 19 the Campbell Police will conduct another session of the citizens information class which has been very popular in the past.

"Salute to Local Government Week" is being observed by some 100 cities and counties throughout California in order to offer an opportunity to expose our citizens and in particular our youth to the capabilities and dynamics of local government.

Commissioners grant Olson zoning request

Mr. and Mrs. H.A. Olson made their second appearance Monday night before the Campbell City Planning Commission in their attempt to get C-1-S zoning on their three Winchester Blvd. lots, and this time the commissioners conceded that actually there was no other way to go but to the requested zoning.

The Olson's are now scheduled to re-appear before the City Council Monday, Oct. 9 when their request will again be considered. The property is presently R-1.

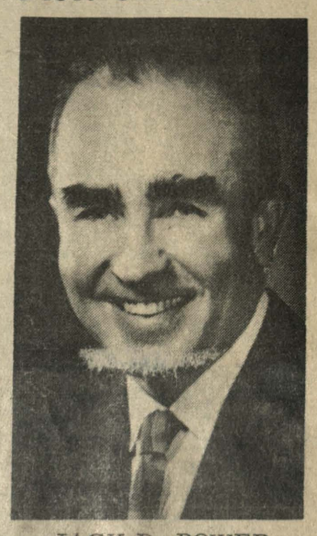
Campbell Rotary will host Dist. Governor



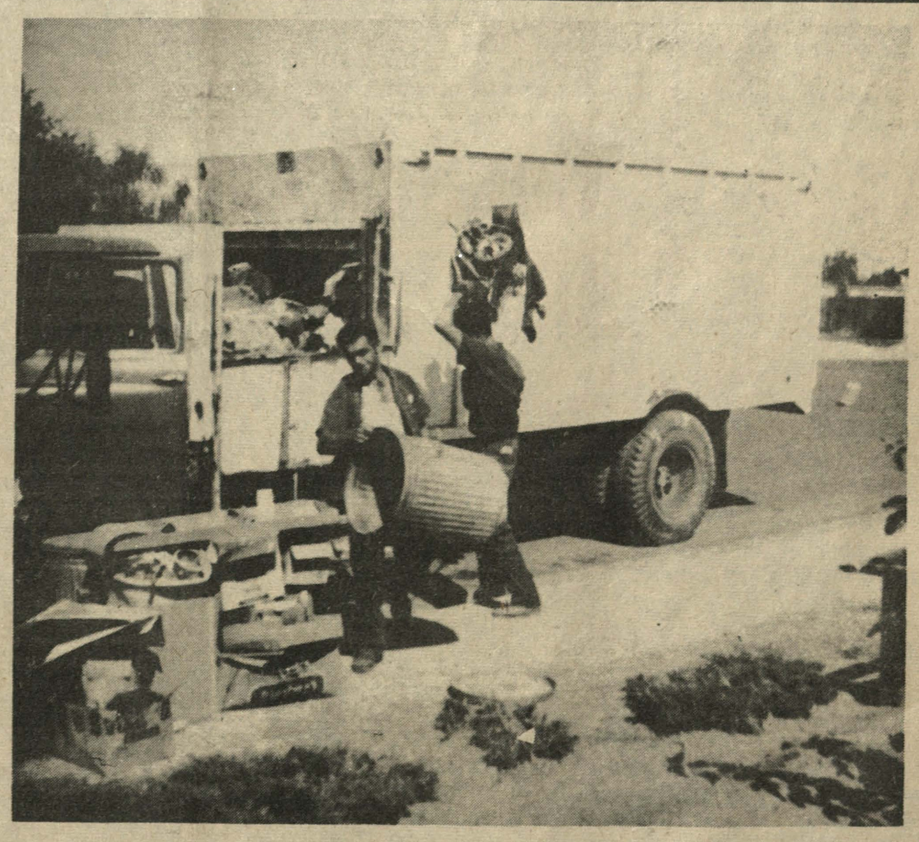
JACK B. POWER

Members of the Rotary Club of Campbell will host their new District Governor, Jack B. Power of Palo Alto, at their meeting at 12 noon at Grange Hall on Monday, Oct. 9.

Before he addresses the meeting, Power will meet with Club President Bill Parton and Secretary Don Callahan and other officers and committee chairman at a Club Assembly. Projects and plans for the club year will be reviewed at this meeting, a customary one with Rotary clubs throughout the world.

Power, who is a partner in a California hotel chain, has been a Rotarian 12 years, and is a past president of his own club. He recently attended a conference at Lake Placid, N.Y., with the 277 other governors from throughout the world.

The Campbell Rotary Club was chartered in 1948.



FREE TRASH PICK-UP--Green Valley Disposal Company will conduct its free fall trash pick-up on Friday, Oct. 6 for residents of Campbell. Here is a scene taken during last year's fall clean-up campaign. Fire Chief George Maxwell urges all residents to take advantage of this extra day of service. All debris must be placed in boxes in front of each residence before 7 a.m. No furniture, appliances or heavy boxes of dirt or rocks will be picked up.

Editorial

Bond financing

By DALE SCOTT, Executive Director

SANTA CLARA COUNTY TAXPAYERS ASS'N.

Certainly the key question regarding any bond issue is "How is it going to be financed?" Therefore it is a pleasure and honor to be asked to write this editorial regarding the financing of the bond issue on the Oct. 24 ballot.

There are three key factors that must be considered in developing the financing of any bond issue. They are:

1. Rate of increase in assessed valuation.
2. Possible interest rate at which bonds may be sold.
3. Schedule at which bonds may be sold by city.

The Citizens Finance Committee concluded, on the question of assessed valuation increases, that an annual increase of approximately 4% was appropriate. The increase of assessed value for 1967-68 over 1966-67 was 4.8% or $1.901,240. We estimated that the increase for next year would be $1,500,000 - a projection that is certainly conservative based upon the experience of this year. The key fact to remember is that when the actual increase is greater than the estimated increase the tax rate need is reduced.

On the question of interest rate the committee concluded that an average interest rate of 4.25% seemed reasonable. This was used after extensive discussions with the bond consultants and others relative to the bond market. This rate was used as a maximum - we believe and expect that the actual rates will be lower at the time of sale of the bonds. Again the lower the interest rate, the lower the tax rate.

The third point relates to the sales schedule of the bonds. This is important for a number of reasons. The city must schedule the sales of the bonds to meet the revenue available to pay the costs of retiring the bonds and, importantly, should schedule the various projects so that the general fund of the City will be able to maintain the projects once completed without a tax rate increase in the general fund. This has been done!

After all these factors were considered the Finance Committee discussed the size of the tax rate which we felt was justified and needed to execute the program. It was concluded that the amount of the bond issue should be approximately $3,500,000. This was decided because of the needs of the City of Campbell. A lesser amount would not be sufficient to carry out the major goal of the Citizens Committee - that goal being to increase the INVESTMENT POTENTIAL in the City of Campbell, whether it be homes, business or industry.

After all these matters were thoroughly discussed it was obvious that a tax rate increase of forty cents was needed and justified if we were to make progress in our goal of developing Campbell into a more attractive place to live, work and do business. It is important to remember that the forty cent tax rate is a maximum - we hope and believe it will be less. It will be less if our assessed caluation increases more rapidly than the 4% estimate. The assessed value will increase more rapidly if the bonds are voted and new investment is therefore attracted to Campbell.

Let me point out here that the Library (Proposition A) will be financed by the county at no additional cost to the City, through the library tax we are already paying into the County Library System.

The balance of the bond issue - $3,200,000, - will be financed within the forty cent maximum tax rate.

The following chart is prepared to show the cost and revenue comparisons. The forty cent tax rate will probably be levied each year through the year 1975-76. After that time it will decline annually to meet the revenue needs for that year. The higher rate is needed in the early years so that revenue will be available in those years when the annual costs are greater than the annual revenue. The revenues will be placed in a special fund until they are required for bond amortization and will not be available for other purposes.

YEAR	COST	REVENUE
1968-69	$ 61,875	$163,200
1969-70	122,475	168,960
1970-71	161,175	176,640
1971-72	199,025	184,320
1972-73	252,525	192,000
1973-74	247,085	203,520
1974-75	241,645	215,040
1975-76	236,205	226,560
1976-77	230,765	238,080
1977-78	224,050	249,600

You will note that the annual cost begins to decline in 1973-74. This is due to the fact that the last bonds will be sold in 1972-73. The following is the bond sale schedule recommended to the City Council:

1968-69	$750,000
1969-70	750,000
1970-71	500,000
1971-72	500,000
1972-73	700,000

As a citizen of Campbell I am pleased to have been a part of the Committee that developed this bond issue. I believe it is needed and justified, in fact required, if we are to develop our City to its full potential. It will cost money, yes, but this is money well spent as an investment in our collective future as a City. In terms of value received the cost is minimal.

time, energy and money. Service must be our desire and to serve we must pay to enable others to do the best job possible. The warning is clear. The danger signals are up--if we want a city that is better, we must pay the price.

-0-

LET ME SALUTE the citizens of Campbell. Some of us are newcomers and we have not paid the price to make our City what it is--yet, but we will. It has moved steadily this past decade, but it has hardly touched its potential. We need a "community spirit" that results in progress and development--citizens who are concerned and who arrive at an intelligent decision and then have the courage to implement the decision through action.

Soon we will be called on to express our desire as concerns the future of our City. We are aware of many problems, but major must be the consideration of adequate facilities for our city employees to do a thorough job. Study all materials and decide what you think is BEST for our future.

Better programs for our children and youth must be provided. Just to get by will not be enough. We'll probe deep to discover what we can do to make their lives better and then because we love our children and youth, we will do these things.

Campbell is not a perfect city and we have no perfect citizens. It is a city with a bright future composed of citizens who can make the future bright if they so will.

-0-

IF YOU KNEW our City Manager (Robert Stephens), our Chief of Police (John Morgan), our Fire Chief (George Maxwell) as I have come to know them, you would know how far "out on the limb" they go and give themselves. Our City Council and Planning Commission sacrifice time, energy to serve us. They are surrounded by men and women who work for our interest in noble ways. They are dedicated to service and we should undergird them by diligent attention to our responsibilities.

I heard a man once complain about the way "everything is". Nothing was right. He was thankful he did not share in the responsibility for the state of things. Believe it or not, he boasted, "I have not voted in 20 years." He forfeited one of the privileges--yes, responsibilities of citizenship, and encouraged those with whom he disagreed to lead. Think" Act!

-0-

NOW, IF GEORGE had known I was going to "preach a sermon", he wouldn't have taken Dorothy on a vacation, but would have sent her.

Because I hold high the City we call home, I speak from my heart for I know if we work together we can make it a great place to live.

Come home, George, and go out "On The Limb" again.

Just try to justify your selection of the one to write this column!

new library, supervised, as is the existing one, by the County Library Department. Money has already been allocated by the Board of Supervisors to lease the building from the city, making it possible for this bond to be paid off without cost to the Campbell property owner directly.

The second measure will work for much needed street and safety improvements and measure "C" will provide "housing" for city owned equipment in the corporation yard.

FIRE INSURANCE

In an effort to "hold the line" on fire insurance rates, Measure "D" will assure development of a second fire house for the city and purchase of land for a third such station. City facilities would be updated, and "up-efficiented" with passage of measure "E" calling for larger quarters in which to conduct city business and police facilities. The two presently share a converted church, whose congregation gave it up because it was too small!!

OVERPASS

Strong feelings about measure "F" have been voiced by parents in the community, for this measure would provide for the development of Rincon Park, at the edge of San Tomas Expressway. Access to the park will be assured with the passage of the streets and traffic safety measure, as a portion of the funds will go towards building an overpass leading across the expressway to the park. (Funds will be matched by county and San Jose.)

VOTER EDUCATION

Coffee hours throughout the city are introducing the measures to the public, with full explanations as to exactly what the bond passage will mean in terms of dollars and cents costs and in improvement of existing property.

Meantime, volunteers continue to staff the campaign headquarters at 1624 W. Campbell Ave. (Kirkwood Plaza) ready to find answers and provide speakers for the public.

AT STATE MEETING--California Jaycees held their state board meeting in Santa Maria recently. Several representatives from the Campbell Jaycees attended. Pictured at the meeting are (left to right) Bob Dalzell of the local chapter, Drew Frohlich, president of the California Jaycees and Don King, president of the Campbell Jaycees.

Jaycees vote to support Oct. 24 bond election

At the last meeting of the Campbell Jaycees, a resolution was passed supporting all six of the issues on the ballot in the Campbell bond election Oct. 24. It is the feeling of the Jaycees that if Campbell is to keep pace with the growth of the area and be able to serve the citizens of the community it is necessary for all of the issues to pass on Oct. 24.

The action was taken after hearing various speakers on the bond issues including Don Hebard, campaign chairman; George Vierhus, Chamber of Commerce President; John Morgan, Police Chief; and George Maxwell, Fire Chief.

Dog owners may lose mail delivery rights

Campbell Postmaster James Hurley has issued an urgent appeal to the residents of Campbell who also own dogs. According to Hurley six postal carriers have been bitten by dogs, resulting in flesh wounds and other numerous "misses" where the carriers trousers were torn.

When the postal carrier reports that a dog is responsible for interfering with the delivery of mail by a carrier, a letter is issued to the owner asking for their cooperation. If after the receipt of the first letter, the dog is still allowed to run free in the yard, a second letter is sent stating that all mail will be held in the general delivery department at the local post office until such time as the dog is under control.

Hurley also pointed out that when a postal carrier is bitten by a dog, the carrier must have immediate medical attention including a tetanus shot and the owner of the dog is liable for doctor bill.

IN AIR FORCE--Anthony P. Guagliardo, 19, son of Mr. and Mrs. A. P. Guagliardo, Sr., of 166 W. Campbell Ave. is attending basic training at Lackland Air Force Base, Texas. Guagliardo is a 1966 graduate of Campbell High School.

Keep your money in a safe place.

There are lots of places to keep your money. Places that are safe. And places that are not so safe. When it's the money you've set aside for your savings, you want to keep it where you *know* it's safe. Where you *know* it's earning a profitable return. And where you *know* it's available when you need it. That's the kind of money to keep in the world's largest bank. You can't find any safer place than that.

"Who's in control?"

Most of us like to feel that we're "in the driver's seat." But what happens when, for one reason or another, we lose control of our experience?

In this public lecture, Charles W. Ferris, an experienced Christian Science practitioner, shows how we can take control of our experience by submitting to the perfect control of God.

In three actual and vivid experiences he tells how health was restored, a business career saved, and human relationships corrected, all when the individuals involved were willing to submit to the perfect will of God.

Admission is free. Everyone is welcome.

Patricia Stephens is married at St. Lucy's

MR. AND MRS. PETER M. SUSTARICH

Patricia Lynn Stephens became the bride of Peter Michael Sustarich in a beautiful double ring ceremony at St. Lucy's Catholic Church recently. Father John Lally officiated.

The bride is the daughter of Mr. and Mrs. Robert C. Stephens of 1156 Monica Lane, Campbell. The bridegroom is the son of Mr. and Mrs. Frank A. Sustarich of San Francisco.

For her wedding day, Pat chose a full skirted white satin and lace gown. Her shoulder length veil was secured with a pearl headpiece and she carried an arrangement of white rose buds and gardenias on a lace covered prayer book.

Miss Julie Jacobsen of San Francisco was the Maid of Honor and Bridesmaids were Mrs. John Minor of Campbell and Mrs. Jerry Frost of Delano. They were attired in turquoise blue sheaths and carried bouquets of white roses and turquoise tinted carnations. The little flower girl, Michelle De Grass, niece of the bridegroom, made a pretty picture in her floor length white frock. She carried a basket of turquoise and white carnations.

Bruce Walker was the best man and ushers were Frank Sustarich Jr., John Thompson and Mike Stephens.

A reception at the home of the bride's parents followed the wedding ceremony where 200 guests gathered. A beautiful four tiered cake and silver candleabras graced the bride's table. Following a honeymoon to Southern California the newlyweds will make their home in San Francisco.

Peter is a graduate of San Francisco Catholic schools and has been employed by the Pacific Telephone Company for the past five years.

The new Mrs. Sustarich graduated from Del Mar High School and attended San Jose State College. She has been employed by West Valley Insurance Associates in Campbell.

ERIE CANAL

The Erie Canal in New York, completed in 1825, was the first important waterway built in this country.

KOFFEE KLATCH--Mrs. Lyle Ambelang, 478 Calado Ave. (far right) was hostess to neighbors and friends at a "Koffee Klatch" Friday morning to discuss some of the issues in the forthcoming $3.6 million Campbell capital improvement bond issue on Oct. 24. Gathered around the table (left to right) are Mesdames Rex Brush, Walter von Schoeler and James Rinaldi.

Eddie Trevathan weds Los Gatos girl

MR. AND MRS. G. E. TREVATHAN

Gilbert Edwin (Eddie) Trevethan bestowed his name on Theresa Sue Papuzynski of Los Gatos at an intimate wedding ceremony attended by only members of both families and close friends. Setting for the nuptials was Campbell Congregational Church. Rev. Anthony Wayne Myers was the officiating clergyman.

The bride chose a gown of white lace over blue satin with a short veil falling from a crown of seed pearls. She carried a bouquet of stephanotis centered with a white orchid. Miss Kathleen Barkley of Sunnyvale was the bride's Maid of Honor and only attendant. William Cole of Campbell served as best man David Jones and Donald Papuzynski, brother of the bride, ushered.

A reception followed the ceremony at the Los Gatos home of the bride's parents where guests were served wedding cake and toasts were given the happy couple.

Theresa is the daughter of Mr. and Mrs. Stanley G. Papuzynski of 264 Las Miradas, Los Gatos. A graduate of Los Gatos High School she plans to enroll at San Jose State College next semester.

The bridegroom is the son of Mr. and Mrs. H. Gilbert Trevethan of 54 N. 2nd St., Campbell. His mother has been City Clerk for the City of Campbell since its incorporation in 1957. He is a fourth generation Californian. His maternal great, great grandparents, James and Pamlar Dorety settled in Santa Clara Valley in 1866.

Eddie is a graduate of Campbell High School, class of 1966, and attended West Valley College. He is presently employed at Courtesy Chevrolet, San Jose.

The newlyweds are making their home at 1120 Ranchero Way, San Jose.

Grange members enjoy recent

"Koffee Klatches" are being held all over town by hostesses interested in the issues on the ballot slated for the Oct. 24 city bond election. Mrs. Lyle Ambelang was among the first to offer her home as a gathering place for her neighbors to listen to speakers Norman Paul and Don Hebard from the Campbell Citizens for Progress who discussed the need for passage of the $3.6 million dollar city capital improvement bonds. A question and answer period followed the talks and coffee and cake was served.

Anyone interested in hosting a Koffee Klatch for the purpose of learning more about the bond election is asked to call Mrs. Jayne O'Reilly, headquarters secretary at 378-6916. She will see that a speaker is present.

Also women in volunteering a few hours of their time to the many chores in the headquarters office are invited to stop in at 1624 W. Campbell Ave. (Kirkwood Plaza.)

New VFW Post

The public is invited to attend the instituting of a new V. F. W. Post in Saratoga next Saturday evening, Oct. 7. Post No. 7390, VFW, Saratoga, will hold installation at the Firemen's Hall in Saratoga. The program will get underway at 8 p.m. Dancing and refreshments will follow.

BIKES STOLEN

Campbell Police officers this week were busy checking out a series of calls involving stolen and found bikes. According to the police blotter a total of seven bikes were reported missing this week and four were located--not necessarily however the same ones reported stolen.

Letters to the Editor

URGES ACTION ON HOUSING

The Campbell Press
35 Dillon Avenue
Campbell, California
ATTENTION: Editor, George Vierhus

For the past some two months Campbell has had brought to its attention acute housing needs and conditions. The Campbell City Citizens Council (CCCH) has been the enabling factor in exposing the very serious housing and environmental problems that many people simply did not think could exist in Campbell and the West Valley.

That CCCH has been able to do this is due to the fact the organization is grass-roots, composed in the main of poor people, people of serious low-income means without recourse to the normal ways and means of solving problems that are available to the more affluent in our midst. In short, we are our own best experts about the needs and problems that daily affect and frustrate our lives. We believe, further, that we are very capable of seeking real and specific solutions to our problems.

To these ends, we first brought to the attention of the City Council on August 14th the first depth and breadth of housing conditions within and around the city of Campbell, supporting the Section 23 leased housing program of the Department of Housing & Urban Development now possible through the recently established County Housing Authority. While this program is but a small crumb off the table in terms of what is really needed to do a full and adequate job in low-cost decent housing, we support it fully. It has proven itself as a creative and competent program in San Jose for over a year and in many other areas of the nation and California.

POOR PEOPLE

For too long now poor people of Campbell have been ignored. Our needs have been neglected or underestimated. Basic rights and services, especially in housing and related matters like recreation, transportation and job needs, have not been fulfilled or even scarcely recognized. The City Council, the various advisory commissions, and even this years' "community congress" have not and do not represent or reflect poor people's needs or interests. How could they when none of the decision-making bodies have poor representation on them?

This leads us to take sharp exception with many of the less than truly sincere remarks of some of our City Council men and especially the August 23rd editorial, "Housing head-ache" run by your paper. Of the City Council, only Mr. Rose has indicated knowledge of the seriousness and scope of the problem and proven his commitment to want to vote to do something immediate and specific about it. Rose's knowledge is more than mere statistical data: it displays some intimate understanding and real feeling which the Rev. Kit Carson also gives to the problems.

Rose's commitment is much more than the mere glib, rather shallow words that other City Councilmen have uttered, saying that they care about housing needs but doing nothing other than stalling, other than raising impossible intentions about Campbell going it alone, other than doubting the proven ability of the leased housing program and the kind of contract the city could have with the CHA.

The point at issue in all this, we submit, is that the Councilmen talk easily about whether a contract with the CHA and HUD will be honored but they refuse to honor the contract they have as elected representatives of Campbell. Many petitions have been collected, churches have raised the moral obligations we all have to insure basic housing rights for all, and such groups as the West Valley Economic Opportunity Commission and the CCCH which are involving the poor in the process of self-determination speak NOW to the fact that the only responsible action is to involve Campbell as soon as possible, as fully as possible.

A united and concerted effort to begin the long haul to improving housing conditions in Campbell, the West Valley, and the whole County is required of us all. Time, energy and raw human need leave no room for any more small-time political bickering and creation of red herrings that stall. We believe that no problem exists to get with the action other than a willingness to move now. Through efforts of self-help, working together, the CCCH is already moving to solve pressing problems. The housing problems are of such a scope, however, that the entire community on a regional level must now decide to pull together. The CCCH challenges the City Council and the Campbell Press to such a response. IT IS TIME YOU KNOW.

Branham, Blackford and Campbell are all winners this week

Campbell Corners

by Pat Hebard

Campbell's varsity football team cleaned out Westmont's team Friday afternoon with a score of 26-5. Chuck Hawthorne ran for two touch downs and threw a 36 yard pass to Stan Hedegard for another. It was a grand and glorious day for Campbell.

The Campbell High School Marching Band made its debut on Westmont's field at half time. The Flag Girls, headed by Karen Musser, were first to perform. They are Ava Niebla, Judy Rothwell, Bonnie Wadika, Pat Mathis and Cathy Grant. Sisters Joyce and Elaine Herrick performed with their batons.

Next came the pert and pretty Pirettes in their attractive red and white uniforms. They are headed by Carol Benbow and Cathy Hughes. The Pirettes this year are Judy Bornes, Sue McKay, Stephanie Rose, Kris Nunes, Joanne Nunes, Fran Acken, Pat Hebard, Cathi McLain, Debbie Winkelpleck, Kathy Robinson, Darlene Strange and Ellen Rosenland. John Brydon, drum major, did a fine job also. After the game there was a victory rally for the team.

The Campbell Band participated in the gala Santa Clara "Parade of Champions" on Sunday. They took third place in the high school band category.

The band is hoping for an invitation to the Rose Bowl Parade this year. Letters of recommendation would be greatly appreciated. Write to: Parade Chairman, Tournament of Roses Association, 391 South Orange Grove Blvd., Pasadena, Calif.

The Frosh-Soph football team defeated Westmont's team with a score of 14-0. Both touchdowns were made by Rich Kaneko.

Class elections are over and the new officers will attend the first student council meeting today.

Our next game is with Camden on our field. Kick-off time is 3:30.

LEGAL NOTICE

CITY OF CAMPBELL, CALIFORNIA
NOTICE TO CONTRACTORS
PROJECT NO. 67-3

Sealed proposals will be received by the City Clerk of the City of Campbell, City Hall, Campbell, California until 2:00 o'clock P.M. on Friday, the 20th day of October, 1967, for construction of storm drain facilities between Forman Drive and Union Avenue.

in accordance with and as described and provided in the plans and specifications therefor and the proposed form of contract therefor, all of which are on file in the office of the City Engineer of said City, and to which special reference is hereby made.

At the above-mentioned time, in the chambers of the City Council, said sealed proposals or bids shall be publicly opened, examined, and declared.

No oral, telegraphic, or telephone bids will be considered.

Bids are required for the entire work, materials and improvements.

Each proposal must be accompanied by cash, cashier's check, or check certified by a responsible bank, or by a bid bond, the proposed form of which is on file in the office of the City Engineer of said City and to which special reference is hereby made, in a sum not less than ten percent (10%) of the total amount bid, payable to the City of Campbell as liquidated damages in case the bidder is awarded the contract and fails, within fifteen (15) days after date of mailing to him by the City Clerk of a notice of award of the contract and that the contract is ready for signature, to execute the above-mentioned written contract and file with the City Clerk satisfactory insurance certificates as required by the terms of said contract and satisfactory bonds as required by law for the faithful performance of said contract and for the protection of materialmen and laborers. Special reference is hereby made to Section 4200 and 4208 of the Government Code of the State of California, and to the proposed forms for said bonds now on file in the office of the said City Engineer, for further particulars respecting bonds.

The attention of bidders is specially called to the provisions of Article 2, Chapter 1, Part 7, Division 2, of the Labor Code of the State of California, and to Resolution No. 1919 of the Council of the City of Campbell, adopted on September 13, 1965, in compliance with said provisions of the Labor code, copies of which are now on file and open for inspection in the office of the said City Clerk and in the office of the City Engineer, Campbell, California, and another copy of which is attached to the proposed form of contract above referred to. The general prevailing rate of per diem wages in this locality for each craft or type of workmen needed to execute the contract for said work and improvements, and also the general prevailing rate of per diem wages for each such craft or type of work for each legal holiday, Saturday, Sunday, and for overtime work, as is ascertained and set forth in said resolution, and said resolution is hereby specially referred to as "Exhibit A" and incorporated herein the same as if completely set forth herein, and is hereby made a part of this Notice.

No proposal will be considered unless made on forms furnished by the City Engineer of said City at his office of said City. Each proposal must be sealed, and the envelope containing the same must be addressed to the City Clerk of the City of Campbell, and must be plainly marked:

"PROPOSAL ON PROJECT NO. 67-3"

Each bid shall separately state in both words and figures the price offered for the approximate quantity of each item set forth in the proposal form, and shall also state in words and figures the total contract price. Quantities set forth in the proposal form and in the specifications are approximate only, being given as a basis for comparison of bids, and the City of Campbell does not, expressly or impliedly, agree that the actual amount of work or materials will correspond therewith, but reserves the right to increase or decrease the amount of any class or portion of the work or materials or to omit portions of the work or materials as may be deemed necessary by the City Engineer.

Proposals may not be withdrawn after the time fixed for opening of proposals. The Council of the City of Campbell reserves the right to reject any and all proposals, and to waive any errors or informalities in any proposals.

Plans and specifications may be obtained at the office of the City Engineer upon receipt of a check for Fifteen dollars ($15.00) per set made payable to the City of Campbell. A refund of Fifteen dollars ($15.00) will be made for these sets if returned in good condition within ten (10) days after date of bid opening.

News from Blackford

By LINDA HODSON

Mr. Haskel "Hack" Bowen, is scheduled to give a talk on drugs along with a movie Oct. 11 for Blackford's PTA. Mr. Bowen at the present time is on the faculty of Westmont High School working as a part time Freshman-Sophomore counselor.

About a year ago Mr. Bowen was relieved of his teaching duties, and for the last six months has been gathering information for the Campbell Union High School District on drug use and addiction. He's also been working with the police department and has had the chance to be included on several dope raids.

Vice-President, Mrs. Al Worrell revealed that 1400 PTA memberships are expected for 1968.

The East Charleston St. Blues Band played for Blackford's first dance of the year Friday, Sept. 29. The dance was from 8-11 held in the Brave's cafetorium. The Social Affairs Commission chose "Zodiac" as the theme for the dance.

COMPLETES TRAINING

Airman Patrick A. Palmer, son of Mr. and Mrs. John S. Palmer of 1019 Audrey Ave., Campbell, Calif., has completed basic training at Amarillo AFB, Tex.

Camden Capers

By Gayle Piech

The freshman may be new here at Camden, but they aren't lacking initiative. Joining in on the action, sixteen of the 465 freshmen ran for office for the fall semester. Heading the frosh class will be newly elected President Mike Guitierez, with Vice President Robin Lacomble at his side. Denice Sablone will be secretary and keeping things in order will be Tom Wilkins, sergeant at arms.

Trips to the snow country and to San Francisco will be the highlights of the California Scholarship Foundation and Honor Society this year. C.S.F.'s met on Sept. 27 to discuss future events and to elect officers.

The guy with the gavel, President Paul Willis will be assisted by Steve Bignell, vice president. Taking minutes at the meetings will be secretary Michelle Wilkie. Claudia Brick will be treasurer with Daryl Fazekas as historian and Don Witek as sergeant at arms.

Earlier this year C.S.F. commissioners were chosen. They are: Paul Willis, senior commissioner; Cheryl Aho, junior commissioner; and Paul Keeton, sophomore commissioner. Their jobs will be to check the eligibility of students for C.S.F. membership, and to serve on the board of managers. In order to qualify for C.S.F. a student must maintain an average of A's and B's.

A scroll is now completed containing the names of all C.S.F. seal bearers who have graduated from Camden. C.S.F. seal bearers must make C.S.F. four times, including once in the senior year.

Winning their first game in the schools history, the Branham Bruins squeezed past the Camden Cougars 13 to 12 on the winners turf.

The Cougars were well prepared but had many drives stopped as the result of fumbles. Paul Worsham and Wayne Atchison scored six for Camden, as they fell two points short of victory.

Branham's offense was paced by ex-Camden ace Tim Irving. Tim scored both of the Branham touchdowns.

Al Martin led the Camden Harriers to their first varsity victory this year over Branham and Del Mar. In the cross country meet held at Camden on Sept. 28, Al finished 3rd with a time of 9:50, followed by Scot Blake placing 4th with a time of 9:51.

"Westmont will be our biggest rival for varsity championship," stated Cross Country Coach Woods.

Dave Hernandez, freshman, sparked the sophomores to stomp Branham. Dave finished 1st with a time of 10:44 followed by Jim Tolbert 2nd and Jeff Cully 4th.

Del Mar went on to take the freshmen and junior varsity divisions. However, Kinne Strong finished first for Camden with a time of 11:21 followed by Bob Mercurio coming in 3d.

Westmont Whirl

By Laura Vierra

Spirit was displayed at the Pep Rally held Friday before Westmont's first game against Campbell. The Song Girls danced to the lively music of the Westmont Pep Band, and cheers were led by our Cheer Leaders.

At the Rally the Spirit Stick was presented to the Junior Class for displaying the most spirit. In order to keep this stick they must continue their enthusiasm or it will be passed on to another class. So come on, Juniors, let's see if we can keep up the good work!

Thursday the Frosh-Soph met Campbell, at Campbell, where they suffered defeat 13-0. Friday our Varsity met defeat at the hands of the Campbell Bucs Varsity, 25-6.

The Westmont Band was at its peak in its performance during half time. The Satin Dolls did their traditional dance "Satin Doll". The members are Julie Tomlin (head) Kelly Plat, Laura Vierra, Kerri Feak, Diane Vance, Sandy Fernay, Nancy Leone, Kris Porter, Cathy Cardellino, Stacy Campbell and Anita Yagge. The Flag-Girls, Mary Walsh (head), Linda Suth, Barbara Meyer, Sharon Hansen, Sally Ross and Cath Lane, did a catchy routine to the tune of "Cotton Candy".

Our next football games will be Thursday and Friday against Saratoga at Westmont! Hopes are high and team spirit is higher than ever for a sure win for Westmont! Kick-off time is at 3.

Election time is here and posters are on display all over campus. Elections were held last Thursday but due to so many run-offs the results will be in next weeks' paper.

A dance was held Saturday featuring the Jacguars.

Del Mar Dateline

by Glenda Vitale

Spirits were high as the car caravan proceeded on to the Blackford game last Friday. All week the Dons had been preparing for this, the first league game of the season.

Friday morning spirited Cheerleaders, Song Girls, and Lettergirls got up at 4:30 and proceeded from house to house putting up posters at each of the Varsity football players houses. But powerful Blackford defeated Del Mar 6-0.

CLASS ELECTIONS

Last Wednesday and Thursday, Fall class elections were held. The results were: Senior President, Al Tieger; Vice President, Debbie Claire; Secretary, Loretta Costa; and Treasurer, Ann Walter.

Junior officers are Jeff Haugaard, President; Vernon Parker, Vice President; Lonna Quement, Secretary; Tim Kerr, treasurer.

Sophomore President is Chuck Slyngstad; Vice President is Kathy Watt; Secretary is Janet Heimann, and Treasurer is Lynda Adams.

Frosh officers are Ted Parker, President; Mike Ford, Vice President; Nancy Camp, Secretary; and Richard Davis, Treasurer.

This year's fashion Board is already into the full swing of things. An all-girl Fashion Show is being planned for Oct. 16 by Del Mar's Fashion Board representatives. They are: Colette Weil, Emporium; Linda Wise, McDonald's; Sue Miskulin, Macy's; Shelby Douthit, Hale's; and Debbie Claire, Hart's.

NIGHT RALLY

Thursday morning Del Mar's request for a night rally was granted by the C.U.H.S.D. Board of Managers on a "trail basis". In other words, future night rallys will depend on how well this one turns out. It is scheduled for Oct. 26, the night before the Leigh game.

Eeva-liisa Aarnillina, from Finland, is one of Del Mars' foreign exchange students this year. Here through YFU, Eeva-liisa loves Del Mar--especially the football games (as they don't have such things after school in Finland), and the "friendly teachers". Eeva-liisa is living with the family of Mandy and Tim Wright.

Gina Rodriguez, Peggy Yee, Denise Bird, Pat Gage, Chris Sacco, Jennifer Garcia and Linda Larson are this years flag girls. They perform with the band at games during half-time.

This Friday's game will be played with Branham on Del Mar's field at 3.

Rev. Alsen takes position with Oregon church

The Rev. Clifford R. Alsen, pastor of Immanuel United Presbyterian Church, 3705 Payne Ave., San Jose, has announced his acceptance of a call to become pastor of the 821 member First Presbyterian Church of Roseburg, Oregon. His resignation becomes effective Oct. 4.

Rev. Alsen, together with his wife and five sons, came to San Jose in September of 1962 to organize this Presbyterian Church. The congregation has grown to 165 members and now owns property at Payne Avenue and the San Tomas expressway where worship services and church school are presently held in a large, remodeled house. Future plans call for the construction of a sanctuary and other units at this site.

An active member of the Presbytery of San Jose, the minister has served on the General Council and the Ministerial Relations Committee.

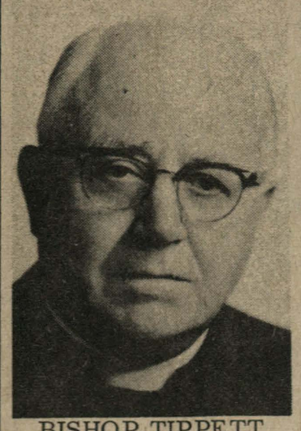
The church will be served on a temporary basis until a new pastor is called. The pastor seeking committee has as its chairman, Dr. Robert S. Brown of Santa Clara.

SPEAKER--"Who's in Control?" is the title of a Christian Science lecture to be given Saturday, Oct. 7 by Charles W. Ferris, C. S. B. of Minneapolis. The lecture is open to the public free of charge. It will begin at 11 a.m. in Scottish Rite Temple, Third and St. James Sts., San Jose, First, Second and Third Church of Christ, Scientist, San Jose, are the sponsors.

Bishop Donald Tippett to speak at Methodist services Sunday

Bishop Donald H. Tippett, Resident Bishop of the San Francisco area of the Methodist Church, will preach at both services at First Methodist Church of Campbell on Sunday, Oct. 8. The services are held at 9 and 10:30 a.m. At the latter service Bishop Tippett will receive a members' class into the fellowship of the Church.

Bishop Tippett was elected a Bishop of the Methodist Church in Seattle, Wash. in 1945 and has served the San Francisco area during these years. He has served in many capacities for the church. He has been Chairman of the Department of Ministerial Education, President of Television, Radio and Film Commission, Chairman of Methodist Commission on Chaplains, President of Northern California-Nevada Council of Churches, one of nine Bishops in charge of the Quadrennial Emphases from 1960-1964, President Designate of Council of Bishops in 1966-67, and currently the President of the Council of Bishops.



BISHOP TIPPETT

He is frequently called as speaker for national, state and local meetings, for universities and colleges, and for educational and cultural organizations.

The Bishop and his wife, Ruth, will spend the day at the church. There will be a congregational dinner at noon to welcome them. He is the author of two books, "The Desires of a Religious Man" and "The Vigil of the Cross With Tenebrae".

There is child care and Church School classes meeting for all ages at the same hours designated for worship.

ON CAPITOL HILL

with "Charlie" Gubser

In recent years the Executive Branch and a majority of the Congress have succumbed to almost a mania for adopting crash programs which are advertised as instant solutions to deep rooted social problems. Liberal groups across the nation have succeeded in selling the philosophy that all that needs to be done to solve a human problem is to invent a government program and finance it liberally with taxpayers' dollars. Some programs do work, but many of them produce nothing but new bureaus, more federal employees, greater public deficits, and higher taxes.

In 1961, a Juvenile Delinquency Act was passed establishing a three-year program making grants to state, local and non-profit organizations to finance demonstrations projects in the prevention of juvenile delinquency and to disseminate information about it. I well remember the proponents telling us how necessary the bill was to fight the increase in juvenile crime.

Little was accomplished in the first three years of the program but nevertheless it was extended in 1964 with a $5 million demonstration project added, under which metropolitan Washington would show the effectiveness of a well-rounded program to the entire nation. The result--crime increased faster in the District of Columbia than in the rest of the nation. In 1965 the law was again extended with allocations of $47 million and just last week, because it was expiring, Congress renewed the law for the third time.

Perhaps the situation might have been worse without a federal delinquency program, but it certainly has not shown dramatic results. In 1960, 440,000 children between the ages of ten and seventeen, were referred to the courts. But in 1965, these referrals had increased to 601,000.

Juvenile delinquency has outrun the nation's capacity to deal with it and this is admitted by the President's Commission on Law Enforcement. In his testimony on the bill, the Attorney General said: "...in 1966 arrests of juveniles increased 9%. Youths between 11 and 17, comprising 13 percent of the population, committed 50 percent of burglaries, larcenies and car thefts. One-half of all crime against all property was committed by minors."--So we have lost ground since the federal delinquency program started.

Some time I hope the people will realize that laws and money don't solve social problems but people do; and that what juvenile delinquency needs more than money is a change in public attitude.

Instead of public figures urging civil disobedience and disrespect for law and order, parents, teachers and church leaders should teach respect for law and orderly process. They should admit that reasonable discipline and respect for authority produce self-disciplined and well-adjusted adults. The discipline administered a few decades ago in the family woodshed may be outmoded by the latest techniques in child psychology. But it produced results!

Joint flower-art show attracts local interest

The Campbell Garden Club and the Campbell Artists' Guild held their second joint flower and art show last week in Community Gallery, of St. Lawrence Episcopal Church, 65 West Rincon Ave. Theme for this year's show was "Transition in Art". Mrs. Richard Conway, flower show chairman and Mrs. Lois Kirby, art exhibit chairman, reported a record attendance and number of entries.

The standard flower show was open to the public with the limit of one entry per class. The Lura Smith Memorial Traveling Trophy was awarded to Mrs. Muriel Martin for the Best of Show, artistic division. Best of show, horticulture division, was Mrs. Gordon Wright. In the junior division (under 12 years) Diane McConaughey was the winner in the artistic division.

In the 12 to 20 junior division, David McConaughey was the winner. Jeff Griffin won the tricolor ribbon for his entry in horticulture, junior division.

ART SHOW

Ignatius Banasewicz won the Best of Show award for his oil painting entitled "Making a Turn." Other winners were Oils; Florence Engelder, Wreatha Tollefson, Joann Cochran, honorable mention; Water colors; Judy Howland, Lois Kirby, Sarah Wood and Marigold Kushner, honorable mention. There were 72 entries in the art show.

PTA NEWS

BOHNETT SCHOOL

The J. Bohnett School Open House was held Tuesday, Oct. 3, at 8 p.m. in the school cafetorium. The staff, special subject teachers, and district personnel were introduced. Also introduced were the officers of the Home and School Club. Mrs. Joyce Gartz, president, spoke on the past projects of the Club and their plans for this year. Last year's project, shrubs for the front landscaping, are not yet in place, but will be shortly.

Mrs. Mary Bozovic, Membership chairman, announced the current membership drive is underway and will continue until Friday, Oct. 6.

The parents then adjourned to classrooms for a briefing of the year's curriculum and classroom procedure.

CECIL LANDRUM

Cecil Landrum, a carpenter, died in a local hospital this week. He was 64. Landrum, a native of Texas, made his home at 1025 Shamrock Dr., Campbell. He was employed by the Philco-Ford Corp.

He leaves his wife, Mrs. Leola Landrum and four sons and daughters. They are Bob Landrum of Campbell, Jim Landrum of Washington, Mrs. Mary Wathan of Campbell and Mrs. Doris Gray of Pacifica.

Funeral services were today (Wednesday) at Oak Hill Mortuary, with the Rev. Martin Francine officiating. Interment will be in Oak Hill Memorial Park.

MRS. KATE MARLAIS

Private funeral services were held this week for Mrs. Kate Marlais, 78, a resident of Campbell for more than 50 years, who died in a Fremont convalescent home after a long illness.

She was the mother of San Jose attorney John P. Marlais. Also surviving are another son, James Marlais of Fremont, advertising manager for a large drug firm, and three grandchildren.

Born in Yugoslavia, Mrs. Marlais lived in Campbell since 1912. Her husband, Jack Marlais, died in 1939. Private interment was in Santa Clara Catholic Cemetery.

Commissioner's son dies after short illness

An illness of several months has claimed the life of John Charles Pack, 13, son of Mr. and Mrs. Edward L. Pack, 790 Monica Ln., Campbell. The boy's father is a member of the Campbell Planning Commission.

The youth, a student at Monroe School, died Monday evening, Oct. 2, in the Palo Alto Stanford Hospital. He was a native of Pittsfield, Mass., and had resided in Santa Clara County for the past eight years. He would have observed his fourteenth birthday on Oct. 15.

In addition to his parents, survivors include a sister, Marjorie, and three brothers, Edward Jr., Robert and Jeffrey Pack, all of Campbell, and his grandparents, Mr. and Mrs. John Smith of Pennsylvania and Mrs. Eva Pack of Massachusetts.

A Rosary will be held at 8 p.m. Thursday, Oct. 5 at Campbell Memorial Chapel and a Requiem Mass at St. Lucy's Catholic Church on Friday, Oct. 6, at 9:30 a.m. Interment will be in Los Gatos Memorial Park.

EXTINCTION

From the beginning of the Christian era to 1650 A.D., less than 10 species of mammals and birds became extinct.

PROMOTED

James L. Jones, 20, son of Mr. and Mrs. Amos F. Jones, 18644 Martha Ave., Saratoga, Calif., was promoted to Army specialist four Sept. 14, while serving with the 74th Supply Company near Cam Ranh Bay, Vietnam.

Spec. Jones, a mechanic in the company, entered the Army in October 1966 and was stationed at Ft. Ord.

REFLECTIONS...OF AN ERA--THE CABLE CAR--Burger Pit, pictured above with the franchise-owners, Mr. and Mrs. Robert Lauck, (Bob and Mary), reflecting on the decor of their enterprise, is now open under their management.

Situated on Winchester Blvd., in the West Park Plaza (corner of Winchester and Payne) the attractive restaurant presents an interior most interesting in nostalgic furnishings and paintings, and an appetizing menu, both distinct and promptly served.

An invitation is being extended by Bob and Mary to you...to come in and get acquainted.

Have a drier wet season this year. (Cleaner, too)

Let us make all your fall/winter wearing apparel water-repellent and stain-resistant. Spills blot away easily. Rain, snow, slush — all liquids, even messy, oily ones, will simply bead up on fabric surfaces. Blot gently, the spill is gone. If a spill does dry or is rubbed into the fabric weave, it is more easily removed.

Doesn't "change" fabrics. You can't see or feel SCOTCHGARD® FABRIC PROTECTOR. It won't change the fabric color. No stiffness or boardiness as with most other treatments.

Bring in your dry cleanables and let us protect them today. Anything we can dry clean we can professionally protect with SCOTCHGARD FABRIC PROTECTOR.

RESOLUTION AUTHORIZING A SALE OF PROPERTY TO OTHER PUBLIC AGENCIES

Pursuant to sections 16201 through 16205 of the Education Code of the State of California,

WHEREAS, the CAMPBELL UNION SCHOOL DISTRICT of Santa Clara County, State of California, hereinafter called "District," is the owner of the following described parcel of real property situated in said District and in said County, to wit:

COMMENCING on the southerly line of Moorpark Avenue at the northwesterly corner of that parcel of land conveyed to Campbell Union School District of Santa Clara County, by deed recorded October 31, 1946 in Book 1388 at Page 497, Official Records of Santa Clara County; thence along the northerly line of said parcel of land S. 89° 27' 29" E., 25.00 feet; thence S. 18° 53' 51" W., 46.54 feet; thence along a tangent curve to the left with a radius of 200.00 feet, through an angle of 18° 26'40", an arc length of 64.38 feet to the property line common to the lands, now or formerly of Campbell Union School District of Santa Clara County and of State of California; thence along said common property line N. 00°27'11" E., 107.47 feet to the point of commencement.

CONTAINING 992 square feet, more or less.

WHEREAS, this Board of Trustees has determined that said parcel of real property is not now and will not at the time of delivery of title or possession be needed for school classroom buildings; and

WHEREAS, this Board has determined that it is in the best interests of said District to sell said parcel of real property to the State of California, a public agency.

NOW, THEREFORE, IT IS HEREBY RESOLVED that this Board of Trustees shall enter into and be a party to such sale with the State of California; and

BE IT FURTHER RESOLVED that said parcel of real property shall be sold subject to the terms and conditions as set forth as follows:

1. The State of California to pay all costs of necessary legal advertising.
2. The agreement between the State of California and the Campbell Union School District executed August 24, 1967.

AND BE IT FURTHER RESOLVED that the clerk of this board is hereby authorized and directed to execute a deed for the said property and in behalf of this district to the State of California granting the said real property and to deliver the same to James N. Sammons, Right of Way Agent upon the performance of the foregoing terms or in the alternative, to deposit the same in escrow subject to such performance.

AND IT IS HEREBY FURTHER RESOLVED AND ORDERED that this resolution be published no less than once a week for three weeks prior to the making of the sale in the Campbell Press.

PASSED AND ADOPTED by the Board of Trustees of the Campbell Union School District of Santa Clara County, this 14th day of September, by the unanimous vote of all the members elected or appointed to the board.
